possible to haul cotton to the railways. this accounts for the small receipts at our port for the last ten days. In New York there has been some excitement in the market, so much so that the Financial Chronicle says that it is beginning to be suspected that the reduced receipts at the ports were to some extent the result of manipulation. The transactions in our market for the week root up 829 bales at quotations ranging from 13 to 141 cents. At the close the market is firm at the

quotations given below. The receipts for the week Being a total of 1,477 bales, against 1,229 bales for the four days of last

the week was as follows: It appears that the total receipts for the seven days have reached 82,178 bales, against 146,593 bales last week, 164,760 bales the previous week and 188,434 bales three weeks since, making the total receipts since the first of September, 1874, 2,214,397 bales, against 2,060,596 bales for the same period of 1873-74, showing an increase since September l, 1874, of 153,801 bales. The details of the receipts for this week (as petelegraph) and for the corresponding Weeks of the five previous years are as follows: The exports for the week ending, reach a total of 70,162 bales, of which 45 876 were to Great Britian, 7,519 to France, and 16,766 to the rest of the Continent, while the

The following are the official quotations to-day: Ordinary . . Good Ordinary 

ROSIN.-The mar tet has been of rosin during the week, and the future is sufficiently bright to encourage than has been experienced for some Phosphate, \$54 50@\$64 50; Berger & months past. Strained was freely in- Butt's Superphosphate, \$60; Wilson's quired after early in the w.ek, but a Superphosphate of Lime, \$60; B. D. feeling of depression hung over the Sea Fowl, \$50 cash, and \$35 time. market, and as prices were so low as DRY GOODS.—The market has but to be remainerative to deal- been without animation during the ers to sell, they withdrew from the week, there being a scarcity of orders tharket. Immediately afterwards a better feeling was produced and large transactions were effected and closing up their business for the large transactions were effected and closing up their business for the daily at the current prices. At year. There is nothing of especial the close, strained is quoted firm at import as regards prices or the tone of \$1 70. In futures for the present the market. month several large lots were disposed PROVISIONS.—The Western mar-

of al figures about equal to the cur- kets have been firmer generally within felt prices. Fine rosins have gone the last week, and as every indication up very high, owing to the small re- of a firmer feeling out there is watch-

strained at \$1.70, and 25 bbls "K" low pale at \$5 50 per bbl.
